## FISCAL ANALYSIS

### ASSUMPTION

Officials of the **City of Eureka** assume no fiscal impact.

Officials of the **Eureka Fire Protection District** assume no fiscal impact.

Officials of the **City Springfield** assume this proposal would have no fiscal impact because their City is not within the definition of "City".

Officials of the **Logan-Rogersville Fire Protection District** stated that this proposal would have no fiscal impact, because they already have an agreement with the City of Springfield.

**Oversight assumes that this proposal changes the method of calculation of tax income and district debt and provides for the procedure that would be used for redistribution.**

**Oversight assumes this proposal would have no net fiscal impact to the political subdivisions affected. Oversight assumes no state fiscal impact.**

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005
	\$0	\$0	\$0
<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005
	\$0	\$0	\$0

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### DESCRIPTION

This bill excludes the amount being generated by any tax for indebtedness of a fire district from the payment by a municipality to a fire district for an area annexed by the municipality. Any city, except a city in St. Louis County or a city that does not have an existing fire service, which annexes an area within an existing fire district must reimburse the district for the portion of outstanding indebtedness of the fire district based on the percent of the assessed valuation of the

DESCRIPTION (continued)

area annexed to the assessed valuation of the fire district.

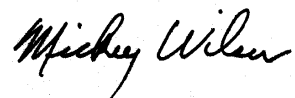

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
